

JOIN THE COMMITTEE

Volunteer at Doris Blackburn Preschool

What is a committee run kinder?

Community kinders are run as an Association, where parents and carers form a committee (like a board) which governs the kinder. Each year, the kinder needs a committee – it can't function without one!

There are also many non-committee volunteer opportunities.

Why have a community run kinder?

There are huge benefits of having a community-run kindergarten, including the freedom for educators to adapt the curriculum to suit the interests and needs of the children, a greater level of individuality and a reduction in operating costs.

We need you to make DBPS great!

Committee Executive

- **President**
- **Vice President**
- **Secretary**
- **Treasurer**

(Approx 3–5 hours per week).

The Committee

Roles and Responsibilities include
